Activities and achievements for the year 2021-2022.

### 1. Children education support:

NATURE TRUST has been working with children from its foundation. Every year we are supporting education materials and tools for poor children for their education. This year also we have supported to 19 children who are studying below 8<sup>th</sup> standard at Government schools. They children are from dalit community, handloom weaving community, banana plantation workers community. We collect the local donations and spent for children Rs. 25687 for purchase of education materials. Er. Sathiyamoorthy distributed the education materials to the children. Even though the children are at home and attend the online classes they need writing materials to report to the school. The program was held on

### 2. Restore our earth program for children

Restore our earth program was conducted at Thanneerpalli Village. The program was organised by Nature Trust. School students were oriented about the pollution on earth, air and water. An interaction session was made with them. After interaction session, they took an oath to avoid plastic materials at their house and schools. They assure that they will put their effort to mitigate earth from pollution. A rally was conducted at Sedar street. Five provision shops were provided with one and two kgs content of paper bags to pack the kitchen things like dhall, sugar, rice, etc.,.... Nearly fifteen children participated in the program. Ward Member Mrs. Kowsalya Boopathi participated and distributed the paper bags.
